Remarks

If you are looking for privacy, look no further! This well built camp sits on 4.8 acres and has 455.15 feet of water frontage on Big Wood Lake! This property is part of a concept plan which regulates future development so peace and quiet will remain. There is no road to this property, access is by boat in the summer and snowmobile in the winter when the lake is frozen. Enjoy great fishing on the lake, small mouth bass, salmon and trout are all common catches. Excellent fishing and hunting out your door! You'll also enjoy deeded parking and a private beach/boat launch in nearby Jackman.
